ABOUT USA COMPRESSION PARTNERS, LP

USA Compression Partners, LP is a growth-oriented Delaware limited partnership that is one of the nation's largest independent providers of compression services in terms of total compression unit horsepower. The company partners with a broad customer base composed of producers, processors, gatherers and transporters of natural gas. USA Compression focuses on deploying large-horsepower infrastructure applications primarily in high volume gathering systems, processing facilities and transportation applications. More information is available at www.usacpartners.com.
