

USA Compression Partners to Participate in Howard Weil 42nd Annual Energy Conference on March 26

March 24, 2014

AUSTIN, Texas--(BUSINESS WIRE)--Mar. 24, 2014-- USA Compression Partners, LP (NYSE: USAC) today announced that its senior management will participate in the Howard Weil 42nd Annual Energy Conference to be held in New Orleans March 23-27.

Eric D. Long, President and Chief Executive Officer, and Joseph C. "Jody" Tusa, Jr., Vice President and Chief Financial Officer, will conduct one-on-one meetings with institutional investors on Wednesday, March 26. Presentation materials used during these meetings will be posted to the Partnership's website early that morning. Please visit the Investor Relations section at <http://investors.usacpartners.com> under "Presentations."

USA Compression Partners, LP is a growth-oriented Delaware limited partnership that is one of the nation's largest independent providers of compression services in terms of total compression unit horsepower. The company partners with a broad customer base composed of producers, processors, gatherers and transporters of natural gas and crude oil. USA Compression focuses on providing compression services to infrastructure applications primarily in high volume gathering systems, processing facilities and transportation applications. More information is available at www.usacpartners.com.
