

USA Compression Partners to Participate in the Jefferies 2015 Global Energy Conference

November 10, 2015

AUSTIN, Texas--(BUSINESS WIRE)--Nov. 10, 2015-- USA Compression Partners, LP (NYSE: USAC) today announced that its senior management will participate in the Jefferies 2015 Global Energy Conference, to be held in Houston, Texas on November 11–12, 2015. Senior management will participate in a series of meetings with institutional investors on Thursday, November 12. In addition, Eric Long, President and CEO, will present at 11:30 a.m. Eastern Time. Presentation materials used during the meetings will be posted to the Partnership's website early that morning. Please visit the Investor Relations section of the website at www.usacpartners.com under "Presentations."

About USA Compression Partners, LP

USA Compression Partners, LP is a growth-oriented Delaware limited partnership that is one of the nation's largest independent providers of compression services in terms of total compression unit horsepower. The company partners with a broad customer base composed of producers, processors, gatherers and transporters of natural gas and crude oil. USA Compression focuses on providing compression services to infrastructure applications primarily in high volume gathering systems, processing facilities and transportation applications. More information is available at www.usacpartners.com.
