

## **USA Compression Partners, LP to Participate in J.P. Morgan Energy Conference**

June 14, 2019

AUSTIN, Texas--(BUSINESS WIRE)--Jun. 14, 2019-- USA Compression Partners, LP (NYSE: USAC) (the "Partnership") today announced that its senior management will attend the J.P. Morgan Energy Conference in New York City. Senior management expects to participate in a series of meetings with members of the investment community on June 18 and presentation materials used during these meetings will be posted to the Partnership's website prior to the investor meetings. Please visit the Investor Relations section of the website at [usacompression.com](http://usacompression.com) under "Presentations."

### ***About USA Compression Partners, LP***

USA Compression Partners, LP is a growth-oriented Delaware limited partnership that is one of the nation's largest independent providers of compression services in terms of total compression fleet horsepower. The Partnership partners with a broad customer base composed of producers, processors, gatherers and transporters of natural gas and crude oil. The Partnership focuses on providing compression services to infrastructure applications primarily in high volume gathering systems, processing facilities and transportation applications. More information is available at [usacompression.com](http://usacompression.com).
